

Destination: Week in St. Augustine, FL

Thank you for downloading my week in St. Augustine itinerary. You are going to have so much fun! St. Augustine holds so much history — after all it is America's oldest city.

My Custom Map

Here is the link to my custom map:

<https://www.google.com/maps/d/edit?mid=1e3WTUc1gFW3LxiWC41slsLLqwr4GQk8&usp=sharing>

It will open in Google maps. Sign into your Google Account and make sure it is saved under your maps. After doing this, you will be able to pull it up in the Google Maps app on your phone (as long as you are signed into the same Google Account).

You will notice the markers on the map are color coded:

- **Black:** The beach house I stayed in. If you aren't staying in the same beach house I stayed in, ignore that marker.
- **Dark Red:** Tours
- **Dark Blue:** The beach where coquina rocks are
- **Purple:** Museums and Experiences
- **Yellow:** Landmarks and Churches
- **Coral:** Restaurants and Dessert Shops
- **Blue:** "Second Choice" Museums and Landmarks
- **Dark Green:** "Second Choice" Restaurants

To get to the map on your phone open Google Maps, tap saved, tap maps, you will see it there titled St. Augustine. Tap St. Augustine and the map with all the markers will open. Tap any marker you want to go to and click directions.

My Itinerary

Remember, it is color coded for you too. **Purple** tells you what times the places open and close, **blue** tells you addresses you will need, and **red** tells you important things to know.

Also, remember it is editable to you. If there is something on it you'd like to change, do it!

If you have any questions at all, feel free to reach out.

Happy Travels!

Sarah Nicole
